RE: OFFICIAL NOTICE OF APPEAL-DOCKET #AP 2019-0940

Dear Parties:

**Please review this information carefully as it affects your legal rights.**

The Office of Open Records ("OOR") received this appeal under the Right-to-Know Law ("RTKL"), 65 P.S. §§ 67.101, *et seq.* on **June 18, 2019**. This letter describes the appeal process. A binding Final Determination will be issued pursuant to the timeline required by the RTKL. In most cases, that means within 30 calendar days. The OOR's Final Determination is currently due on **July 18, 2019**.

**OOR Mediation:** This is a voluntary, informal process to help parties reach a mutually agreeable settlement on records disputes before the OOR. To participate in mediation, both parties must agree in writing. The Parties agreement to mediate stays the Final Determination Deadline. If mediation is unsuccessful, both parties will be able to make submissions to the OOR, and the OOR will have 30 calendar days from the conclusion of the mediation process to issue a Final Determination, unless the Requester agreed to an additional 30 calendar day extension on the appeal form.

**Note to Parties:** Statements of fact **must** be supported by an affidavit or attestation made under penalty of perjury by a person with actual knowledge. Any factual statements or allegations submitted without an affidavit will not be considered. The agency has the burden of proving that records are exempt from public access (*see* 65 P.S. § 67.708(a)(1)). **To meet this burden, the agency must provide evidence to the OOR.** The law requires the agency's position to be supported by sufficient facts *and* citation to all relevant sections of the RTKL, case law and OOR Final Determinations. An affidavit or attestation is required to show that records do not exist. Blank sample affidavits are available on the OOR's website.

**Submissions to OOR:** Both parties may submit information and legal argument to support their positions by **11:59:59 p.m. on June 28, 2019**. The record closing date is seven (7) business days from the date of this letter unless the proceedings have been stayed for the

parties to submit a completed mediation agreement form, then the record will remain open for seven (7) additional business days beyond the mediation agreement submission deadline. *Submissions sent via postal mail and received after 5:00 p.m. will be treated as having been received the next business day.* The agency may assert exemptions on appeal even if it did not assert them when the request was denied (*Levy v. Senate of Pa.*, 65 A.3d 361 (Pa. 2013)).

**Include the above docket number on all submissions related to this appeal. Also, any information you provide to the OOR must be provided to all parties involved in this appeal.** Information shared with the OOR that is not also shared with all parties will not be considered.

**Agency Must Notify Third Parties:** If records affect a legal or security interest of an employee of the agency; contain confidential, proprietary or trademarked records of a person or business entity; or are held by a contractor or vendor, **the agency must notify such parties of this appeal immediately and provide proof of that notice by the record closing date set forth above.** Such notice must be made by (1) providing a copy of all documents included with this letter; and (2) advising that interested persons may request to participate in this appeal (*see* 65 P.S. § 67.1101(c)).

Commonwealth Court has held that “the burden [is] on third-party contractors ... to prove by a preponderance of the evidence that the [requested] records are exempt.” (*Allegheny County Dep’t of Admin. Servs. v. A Second Chance, Inc.*, 13 A.3d 1025, 1042 (Pa. Commw. Ct. 2011)). **Failure of a third-party contractor to participate in an appeal before the OOR may be construed as a waiver of objections regarding release of the requested records.**

**Law Enforcement Records of Local Agencies:** District Attorneys must appoint Appeals Officers to hear appeals regarding criminal investigative records in the possession of a local law enforcement agency. If access to records was denied in part on that basis, the Requester should consider filing a concurrent appeal with the District Attorney of the relevant county.

**Public Record Notice:** All dockets, filings and OOR orders and opinions in this appeal will be public records and subject to public access with limited exception. The OOR’s Final Determination will generally include a summary of the case including the identity of the parties and the relevant factual background. Final Determinations are available on the OOR’s website and searchable on-line.

If you have general questions about the appeal process, please contact the OOR at (717) 346-9903. If you have questions specific to your appeal, please email the assigned Appeals Officer (contact information is enclosed) - and be sure to provide a copy of any correspondence to all other parties involved in this appeal.

Sincerely,

Erik Arneson  
Executive Director

----- This is a follow up to a previous request: -----

To whom it may concern,

I would like to appeal the partial denial in the Right To Know public records request I originally made on May 2, 2019 (see a copy of the original request email here: [https://www.muckrock.com/foi/raw\\_email/718178/](https://www.muckrock.com/foi/raw_email/718178/) )

The partial denial from the agency is the following: "The fifth item seeking 5) "Any/all manuals regarding CRIMEWATCH Technologies products/services" is DENIED for the following reason pursuant to 708(b)(11) of the RTKL: The requested records constitute or reveal a trade secret or confidential proprietary information." (the full request response can be found here: [https://cdn.muckrock.com/foia\\_files/2019/06/06/2019-085\\_COHGrantedInpartDeniedInpart.pdf](https://cdn.muckrock.com/foia_files/2019/06/06/2019-085_COHGrantedInpartDeniedInpart.pdf) )

I would like to appeal this denial on the grounds that according to the Pennsylvania Right-to-Know Law, to be protected by this exception, a record must be "confidential or financial information received by an agency (1) which is privileged or confidential; and (2) the disclosure of which would cause substantial harm to the competitive position of the person that submitted the information." (See Pa. Dept. of Public Welfare v. Eiseman.)

I do not consider the disclosure of a manual for "crime mapping" technology or any other products respective to this request to cause any harm to competition, and I believe the public's right to know is key here as well.

Regards,  
J. Ader
